

Miss Luther's Café Pageant

Welcome to the Miss Luther's Café Pageant.

Luther's Café has been serving up good food in the Tobin Hill neighborhood of San Antonio for 68 years. And at the corner of Main and Evergreen for 45 years. And now it is time to finally crown a queen of the corner!

You could be the very first Miss Luther's Café!

The competition will be held on Sunday Night, September 24th at 8pm as that night's Dinner and a Show.

We hope to see you here for this exciting and fun night at Luther's Café

Categories

There will be 3 categories of competition. Talent, Street Wear and On-stage Reading. The following is a description and hints for each category

TALENT

Talent may be up to 5 minutes in length and may be lip-sync or live. Please remember that the stage at Luther's is only 12'x12'. You may leave the stage during your talent presentation. Tips may not be collected during your talent presentation.

You may use props, but you should limit any props to small or handheld. Anything that you bring onto the stage, you must remove from the stage. You may not use glitter, fire, water or any live animals during your talent presentation. You will have up to 2 minutes for setup and tear down.

Talent is limited to 6 minutes. You do not have to use all 6 minutes, but you may not go over this time limit. Luther's Café is a family restaurant and often has children attending our shows. There is no cursing permitted in talent competition. Keep it PG-13 or Disney Channel appropriate.

All Talent music must be turned in on a CD or USB drive. Phones will not be used for music.

STREET WEAR

Luther's Café is located at the Corner of Main and Evergreen. We would expect the winner of Miss Luther's Café to be ready to stand on a street corner at any time. For this category, you will want to exemplify the perfectly profitable street walker.

Creativity and fashion play a part in this category. You can dress to be on your corner for a hot summer afternoon or a chilly winter night. Your outfit will let you show your creativity and ability to show off the merchandise in a positive and legal way. Remember, there are often children on the streets at our corner.

ON-STAGE READING

At Luther's we serve really good food, and sometimes with an attitude. To represent Luther's Café you should show spunk, tenacity and charisma all with charm that is uniquely you. For this category you will draw another contestants name and then be given the microphone for 30 seconds of reading and attitude directed at their assigned contestant. Following this, you have 30 seconds for anyone else you would like to read.

The judges will be looking for a contestant that can get their point across without resorting to foul language or off color humor. Again, you can read for filth just do it with style and a PG-Rating.

PRESENTATION

Presentation is a non scored category. Each contestant will be introduced to the audience by the Mistress of Ceremonies. You will enter the stage and be presented with the other contestants. Your attire should be a fashion of your choice that shows your creativity and inner self. Show everyone how you see yourself.

Your onstage reading will take place immediately following presentation of contestants and you will still be in your presentation outfit. At the conclusion of the onstage reading, you will be dismissed to prepare for our second category, streetwear.

JUDGING

All judging will be on a comparative scoring system. The judges will rank the contestants and points are assigned based on this placement.

In Reading and Streetwear, First place gets 12 points, Second Place 11 points, Third Place 10 points, and so on in descending order. For Talent all scores are doubled.

All judges scores will be counted. We do not drop High or Low scores.
